This Year at St James'...

It's been a wonderful year, and our school goes from strength to strength! Lots of great achievements this year, of which we should all feel very proud. Thank you for all your support, friendship, encouragement and wise words—we are blessed to work with you and your children, and we all firmly believe we have the best jobs in the world! Having said that, we are ready for our summer break!

I will be in school over the next couple of weeks to ensure our new classrooms are finished, and I can't wait to share these wonderful new learning environments with you in September. Also in September, we will be introducing an online payment system for school meals, which will hopefully make paying for school dinners much simpler—details will be sent home in September. Today, we are sending home a new sweatshirt/cardigan for every child ready for September—some may be on the large side for your child, but Dawn & I felt it better to err on the side of caution, and go for too big rather than too small, which we're sure you'll agree is a sensible approach.

We say goodbye to children and staff who are leaving St James' today—we offer you all our love and best wishes and hope that your next steps are ones of happiness and success. Please do let us know how you're getting on and come back to see us!

Finally, **Thank you** for all your kind gifts and cards today—every single one is greatly appreciated.

We have a wonderful school here—rest well, enjoy the summer break, I can't wait to see everyone again on **September 5th!**

Much love from all of us here at St James!
