## 10th September, 2021

office@stjamesvaschool.co.uk  
head@stjamesvaschool.co.uk

What a wonderful week we've had! It's been lovely to welcome all the children back to school and we have so enjoyed getting back to our normal routines—having assembly together as a school family has been a particular treat!

We do still need to be cautious, however, and stay alert to the possibility of COVID transmission. To this end, we're still asking children to wash/sanitise their hands regularly throughout the day. Bedford Borough have also provided us with CO2 monitors for each classroom, which allows us to monitor air quality within the classrooms, and increase ventilation (ie open windows) where necessary.

Thank you to all of you who continue to wear your face coverings whilst on the school site; whilst not a legal requirement, doing so just adds an extra layer of protection for us all and may help to limit any transmission—it certainly can't do any harm, can it? We will continue using the one way system in the mornings and at pick up; if you visit the office at these times, please exit the school via the pedestrian gate rather than coming back down the drive, thank you.

Please remember to keep children at home if they are showing any of the 3 main symptoms or any of the lesser symptoms, or are in any way unwell. It is likely that we will see cases of other types of infectious illnesses increase over the next few months, such as the winter vomiting bug, so we need to be alert to any early signs of this so we can avoid outbreaks. If we have any concerns regarding your child's health, even if we're not sure, we will isolate them from other children, and contact you to come and collect them from school.

The local public health team have set thresholds for determining what is meant by an outbreak, and these are quite low. If an outbreak is determined, then we have a plan which outlines the actions we will take. Essentially, we will have to return to the restrictions we had in place last year—separate class bubbles, limits to parents and visitors coming into school, the return of face coverings etc. None of us want to return to this so please work with us to keep potential transmission to a minimum. Thank you!

Sadly, Mrs Doughty remains unwell, and is likely to be away from school for some time. We have secured the services of Mr Chris Craigen to work in our Robins class. Chris is an experienced teacher who has spent the last few years working in British schools in Malaysia. He has been in school today getting to grips with the way we work here, and will be here on Monday to welcome our new Robins on their first day of school. We've also welcomed other new staff this week—Mrs Alyssa DeLuca is our Year 4 teacher working alongside Mrs Corby, and Mrs Kate Spratt is our new LSA, also working in Year 4. I know you will all welcome our new colleagues and will give them your support and encouragement as they settle into our school family.

I have included some dates for your diaries for the next few weeks, and in next week's newsletter will include all the planned dates for the year ahead. Curriculum News Information for classes will be sent home on Monday—on PE days, children should continue to wear their PE kit into school. Please ensure, however, that your child is wearing the correct PE kit (ie royal blue t-shirt), and appropriate trainers.

As is so often the case, the sun returns when children return to school! I hope we can all enjoy some sunshine/warmth over the weekend—rest well and we'll see you all back on Monday,

Best wishes,

Maria & all the St James' team

Our lovely R has had a haircut....and has donated her long hair to the Little Princess Trust, who 'help poorly children have hair'. How incredibly kind and thoughtful is that? We are so proud of R for showing such an incredible act of kindness and reflecting the values we hold so dear at St James'.

[Little Princess Trust \(littleprincesses.org.uk\)](http://littleprincesses.org.uk) collects donated hair in order to make real hair wigs for children who lose their hair due to treatment, such as chemotherapy. If you'd like to donate to this charity or find out more, do visit their website.

### Caterlink – Online Payments

Caterlink have made adjustments to their on-line payment system. Previously the minimum payment a parent could make was £10.00. Caterlink are pleased to inform you that this has now been reduced to £2.50. This will allow parents to now make single meal payments especially for one off meal and occasions like Christmas.

Please ensure your child's Caterlink always remains in credit.

## Meet the Teacher—Wednesday, 15th September

This is an opportunity for parents and teachers to have a short 'meeting' to say hello, put faces to names and outline any key information for the year ahead. This is an opportunity for you to ask questions about class routines but is not appropriate for parents to have detailed discussions regarding specific needs for their child—if you need this, you should book an appointment via the school office. Because of COVID and the fact that we're not yet clear about how the release of restrictions will impact staff and parents, these meetings will be conducted by Zoom and links will be sent home to you early next week. We realise this is not ideal, but we think it would be foolish to have classrooms full of adults at this stage. We are also staggering the start times for these sessions so that those of you who have more than one child in school can attend all the sessions you need:

Year 1	3.50—4.10
Year 2	4.00—4.20
Year 3	4.10—4.30
Year 4	4.20—4.40
Year 5	4.30—4.50
Year 6	4.40—5.00

## Upcoming Dates

**Weds 22nd Sept** 5.00 Phonics Information session for parents - all parents are able to attend but is probably most suitable for parents in Robins , Year 1 and Year 2

**Weds 6th Oct** Individual School photos  
2.00 Harvest Service—parents will be able to log in remotely to share in this service

**Weds 13th Oct** 5.30 KS2 SATs Information session for parents—all parents are able to attend but is most suitable for parents of Year 6 children

**Fri 22nd Oct** 3.00 Book Blink—an opportunity for parents to come into class for children to share their books with them (this is COVID dependant and may be cancelled/postponed)

**25th-29th October** HALF TERM

**The Friends of St James, Biddenham**

# QUIZ

**Saturday 16<sup>th</sup> October 2021, 7:30 to 9:00 p.m.**

## Zoom Quiz

## Family Support Co-ordinator

Hello! My name is Donna Gower and I am the Family Support Co-ordinator in school.

My role in school is to provide support, advice and information to the families within our school community. I can help you with any worries that you may have in relation to your child's education, behaviour, mental health and wellbeing.

I am also here as someone to talk to if you need it!  
I can meet with you in school or at home at a time to suit yourself.

Advice and support is confidential although concerns relating to the safeguarding of children will always be dealt with in accordance with the school's Safeguarding and Child Protection Policy.

I may not have all the answers, but hopefully I can help you to work out how to find them!

### **Support for pupils includes:**

- guidance and coping strategies to help with times of change and stress
- promoting self-esteem and confidence
- promoting positive behaviour and positive attitudes to learning
- providing one-to-one targeted support
- Run wellbeing groups and Lego Therapy groups (Brick Club)

### **Support for families includes:**

- providing information and signposting to services who can provide further support
- liaising with a range of external services such as housing and Social Care
- assistance in completing paperwork and forms e.g. housing, special educational needs, school places and benefits
- attendance and support at school and other agency meetings
- families who require food bank vouchers
- family stresses
- Bereavement
- Changes in circumstances
- families in crisis
- practical advice and support in promoting positive behaviour at home
- guidance with career and personal development and access to training and workshops in school and other agencies

I can be contacted via telephone: 07984 551188 or via the school office.
